

## Index to Volume XVI (1972-1973)

Volume 16 of *The Literary Review* consists of four numbers: 1. Autumn (October, 1972); 2. Winter (January, 1973); 3. Spring (April, 1973); and 4. Summer (June, 1973). Volume 16 is paged continuously 1-536.

The Index is by author and translator, essay subject, and pagination. Significant material within articles—quotations of poetry and prose—is crossindexed by author and translator. The following abbreviations are used: *a*—art; *an*—anthology; *d*—drama; *e*—essay; *p*—poetry; *s*—story; and *tr*—translator.
